

Carlin Sales has offered pre-filled containers for years to growers who want to reduce labor and simplify their growing operation. Carlin can pre-fill virtually any container you want with the soilless mix of your choice. Below we've listed just a few of the combinations we can offer. Minimum order is one pallet. Spring orders should be placed as early as possible to ensure timely delivery. Prefilled containers are available year round for bedding plants, geraniums, mums, poinsettias, nursery stock and much, much more.

What can we fill?

With Carlin pre-filled pots, there is no need to invest in your own pot-filling machine... no worries about mechanical breakdowns, no extra labor hours, no storage of bulk soil and materials. Everything comes shrink wrapped on skids exactly when you want it. Pre-filled pots do for transplanting what plugs did for seeding... make the whole process easier.
