

HAND PROTECTION

Disposable Lightly Powdered Vinyl Gloves

Disposable Lightly Powdered Nitrile Gloves

Blue Yellow Neoprene Gloves

Atlas Fit Thermal Rubber Knit Gloves

Rubber Coated String Knit Gloves

Item No	Description
46-524	Disposable Lightly Powdered Vinyl Gloves MD 100/box
46-526	Disposable Lightly Powdered Vinyl Gloves LG 100/box
46-1503	Disposable Lightly Powdered Nitrile Gloves MD 100/box
46-5270	Disposable Lightly Powdered Nitrile Gloves LG 100/box
46-5273	Disposable Lightly Powdered Nitrile Gloves XL 100/box
46-513	Blue Yellow Neoprene Glove Size 9
46-321	Blue Yellow Neoprene Gloves Size 10
46-330	Latex Gloves Yellow MD
46-335	Latex Gloves Yellow LG
46-36541	Disposable Vinyl Gloves 5 mil Vinyl MD 100/box
46-36938	Disposable Vinyl Gloves 5 mil Vinyl LG 100/box
46-514	Atlas Fit Thermal Rubber Knit Glove LG
46-5145	Atlas Fit Thermal Rubber Knit Glove XL
46-5302	Blu Latex Palm String Knit Glove SM
46-530	Blu Latex Palm String Knit Glove MD
46-528	Blu Latex Palm String Knit Glove LG

TYVEK™ DISPOSABLE COVERALLS

Tyvek™ is a non-woven material made of spunbound polyethylene fiber which offers comfortable protection from direct contact with hazardous materials. It protects against contact with chemicals and other hazardous materials. Low linting. It's tough and tear-resistant for extended wear to last through the job.

Item No	Description
46-2165	Tyvek Disposable Coverall w/ hood Med
46-2169	Tyvek Disposable Coverall w/ hood Large
46-2167	Tyvek Disposable Coverall w/ hood XL
46-2160	Tyvek Disposable Coverall w/ hood XXL

SAFETY SIGNS

These EPA approved signs are made from polyethylene so they resist wind and rain. They are crack resistant and very durable so that they can be used repeatedly.

Item No	Description
46-1010	Sign "Danger Pesticide/Keep Out"

RESPIRATORS & MASKS

Advantage Full Face Respirator

For protection against pesticides, paint sprays and vapors, solvents, glue and thinner vapors, as well as dusts and mists.

Replacement Cartridge

For use with Advantage Full Face Respirator.

N95 Disposable Repirator

For protection against mowing, pollen, household dust, sanding and insulation.

Disposable Comfort Mask

Ideal for mowing, pollen relief and sweeping. Not NIOSH approved.

Item No	Description	Unit
46-101	Comfo Classic Respirator 800874	each
46-109	Comfo Classic Cartridge 815182 6/cs	case
46-120	Advantage 1000 Full Face Respirator 805408	each
46-124	Cartridge for Advantage 1000 815362 2/pkg	pkg

Items listed in our catalog are a sampling of products available from a specific vendor. A full line of products is available.

MARKING PAINT PRODUCTS

KRYLON PAINT WANDS

Both wands are constructed of durable, rugged plastic and lightweight steel. They feature a comfortable pistol grip for easy handling and marking and apply a uniform 1" to 1.5" width of paint.

Hand-Held

Wheel

Item No	Description
37-2006	Krylon Hand-Held Paint Wand/Marker 12"
37-2008	Krylon Wheel Paint Wand/Marker 34"

KRYLON QUIK-MARK INVERTED SPRAY PAINTS

These water-based marking paints are great for indoor and outdoor surfaces including roads, pavements, gravel, soil and grass. The paint can be removed from hard surfaces with a wire brush and water. Excellent for surveying and construction/landscape marking. The can features a convenient spray-thru cap and non-clogging spray tip.

Item No	Description
37-2000	Marking Paint - Fluorescent Pink 17 oz
37-2002	Marking Paint - Fluorescent Orange 17 oz
37-2004	Marking Paint - Brilliant White 17 oz

MEASURING CUPS

Excellent Pouring Control:

Non-drip spout allows controlled pouring.

Highly Chemical Resistant:

Made from food grade polypropylene and resistant to most agricultural chemicals in use today.

Easy and Safe to Hold: Ergonomical handle. A gloved hand can carry a full cup with confidence and safety.

Strong Construction: Strength far exceeds the demands placed on it. No broken handles or floppiness.

Non-Spilling: Plenty of room between the full measure and the top rim.

Raised Measuring Graduations: You can clearly see measuring increments even if ink marking is removed. Shown in ml and fl. oz. dual scale.

Item No	Description
19-001	8.5 fl oz/250 mL Measuring Cup
19-002	34 fl oz/1 liter Measuring Cup
19-004	128 fl oz Measuring Cup

POSTING FLAGS

4" x 5" white, rigid markers with PVC staff designed to meet state posting requirements. Each state has its own regulations as to what specifically needs to be on the sign. Carlin/ProGreen only stocks the flags for WI. Please inquire for other states. Custom imprint signs available. A \$35.00 one time set up charge will be added to your order.

Custom Flags Available

Item No	Description
46-3036	4" x 5" Posting Flags each (WI only)
46-3040	4" x 5" Posting Flags 1000/box Custom Imprint (plus one time \$35 set up charge)

TRAFFIC CONES

High visibility bright orange cones let traffic know where you stand.

Item No	Description
46-3014	Traffic Cones - Orange

DRIVEWAY MARKERS

Item No	Description
46-30310	Driveway Marker Stick Blue Shaft/Silver Defl
46-3033	Driveway Marker Stick Orange Shaft with Silver Tape

EYE PROTECTION

Item No	Description
46-772	Safety Glasses Mirror Elite Plus Adj Temple
46-770	Safety Glasses Gray Elite Plus Adj Temple
46-774	Safety Glasses Mirror Antiscratch Black

SOIL SAMPLER

This stainless steel soil probe is 21" long with a 12" handle. Pulls clean soil core from any lawn or landscape. Ideal for use when collecting samples for soil testing.

Item No	Description
55-53781	Soil Sampler 21"

PH AND EC METERS AND SOLUTIONS

For over two decades, Hanna Instruments has led the world in innovative technology. They know how important testing and controlling chemical properties are for effective management of nutrients, soil and water to grow great crops. Your measurement and controlling equipment must be well-built and perform with high reliability. All Hanna products are manufactured to the most stringent standards in state-of-the-art facilities to ensure the highest quality.

HI775 CHECKER® HC (HANDHELD COLORIMETER)

This checker provides a simple, accurate and cost effective way to measure alkalinity. Present in varying concentrations in freshwater bodies, alkalinity, from carbonate and noncarbonate salts, provides a buffer against drastic pH changes in water. Designed as a more accurate alternative to chemical test kits, the HI775 provides quick, accurate results in four easy steps.

HI 98129 COMBO WATERPROOF pH/EC/TDS METER/TEMPERATURE TESTER

This is the only tester in the world that measures pH, conductivity, TDS and temperature! All pH and EC/TDS readings are automatically temperature compensated. The EC/TDS conversion factor as well as the temperature compensation coefficient are user selectable. It has large, easy-to-read dual-level LCD, automatic shut-off and calibration, replaceable pH electrode cartridge with a cloth removable junction, adjustable TDS ratio and EC/TDS graphite electrode which resists contamination by salts and other substances that come in contact with the electrode.

HI 98501 CHECKTEMP®

The Checktemp is a digital thermometer with stainless steel penetration probe. It delivers high accuracy temperature measurements over a wide temperature range without worrying about breakage or condensation.

pHep5 WATERPROOF pH METER/TEMPERATURE TESTER

Designed with harsh, humid environments in mind. The shock resistant housing protects the instrument from normal field use without compromising accuracy. It includes such features as a dual-level LCD, battery level indicator, replaceable pH electrode cartridge, temperature in C or F, stability indicator, automatic shut-off and automatic calibration - all in a floating, waterproof casing.

Item No	Description
41-5155	HI98129 Combo Tester pH/EC/ TDS/Temp
41-5238	HI98128 pHep5 pH/Temperature Tester
41-5246	HI98502 Checktemp Thermometer w/ LCD display
41-5236	HI1285 Combination pH Electrode & Cond. Probe
41-5110	HI70300L Storage Solution 460 ml
41-5120	HI7061L Electrode Cleaning Solution 460 ml
41-5130	HI77400P Buffer Solution pH 4.01 & 7.01 20ml 5 ea/box
41-5126	HI70004P Buffer Solution pH 4.01 20 ml 25/box
45-5025	HI70007P Buffer Solution pH 7.01 20 ml 25/pkg
45-5120	HI7007L Buffer Solution pH 7.01 500 ml
41-5100	HI77100P pH & EC Conductivity Solution 20 ml 10/box
45-5015	HI70031P Conductivity Solution 1413 uS/cm 20 ml 25/pkg
45-5137	HI7031L Conductivity Solution 1413 uS/cm 500 ml
41-5127	HI7030L Conductivity Solution 12880 uS/cm 460 ml
41-5052	pH soil kit w/ pH meter, electrode, auger
41-5145	H1 98130 pH Conductivity TDS Tester
41-5180	Alkalinity test kit 0-100mg/l 0-300mg/l
45-5136	Buffer solution pH 4.01 500 ml
45-5661	HI700661P Cleaning Solution for Ag Application 20ml 25/case
41-775	HI775 Alkalinity Checker for Fresh Water
41-6387	HI98501 Checktemp C Thermometer
41-77511	HI775-11 Calibration Standards for Alkalinity Checker

THERMALARM III

Automatically rings a bell or buzzer warning you that the temperature in your greenhouse has dropped below or risen above a specified temperature. Gold plated to ensure against corrosion. Buyer supplies wire, batteries and bell. Use on a low voltage system (6-12 V). Waterproof. Features a sealed unit, plastic case and increased reliability.

Item No	Description
41-105	Thermalarm III Temperature Sensor

MIN-MAX THERMOMETER

Used in weather stations, cold storage rooms, construction, industry, or anywhere, indoor and out, requiring a record of min/max temperatures. Small floats are pushed to each temperature extreme by the two mercury columns and stay there until reset with the attached magnet. Dual scales of -50/50°C and -60/120°F

Item No	Description
41-4159	Min/Max Thermometer w/ Magnet
