

# ProGreen Plus

Progreen Plus Professional Turf Fertilizer 25-0-4 is specially formulated to provide a rich-green color while providing essential micronutrients to enhance soil health and turf growth.

## GUARANTEED ANALYSIS

### 25-0-4

Am-Sul, Biosolids, Micros

Total Nitrogen (N).....	25.0%
4.3% Ammoniacal nitrogen	
0.7% Water insoluble nitrogen	
20.0% Urea nitrogen	
Soluble Potash (K <sub>2</sub> O).....	4.0%
Sulfur (S) .....	4.9%
Boron (B).....	0.025%
Copper (Cu).....	0.0625%
Iron (Fe) .....	0.525%
Manganese (Mn) .....	0.0625%
Zinc (Zn) .....	0.0625%

Plant foods derived from: Urea, Ammonium Sulfate, Muriate of Potash, Biosolids, Sodium Borate, Copper Oxide, Copper Sulfate, Iron Oxide, Iron Sulfate, Manganese Oxide, Manganese Sulfate, Zinc Oxide and Zinc Sulfate. Sulfur derived from ammonium sulfate.  
Iron derived from Biosolids.

#20-249211

## KEY BENEFITS

- Quick green-up
- Less nitrogen loss from volatilization and leaching
- Increases microbial activity in soil
- Micronutrient package
- Improves water retention

Micronutrients:		
<b>Iron</b>	Fe	Important in chlorophyll formation, photosynthesis, and nitrogen metabolism.
<b>Manganese</b>	Mn	Functions as enzyme activator. May be involved in resistance to some diseases.
<b>Zinc</b>	Zn	Involved in chlorophyll synthesis and amino acid synthesis.
<b>Boron</b>	B	Promotes movement of sugars.
<b>Copper</b>	Cu	Essential for photosynthesis and a component of certain enzymes.

STN is an innovative product that protects urea from volatilization and leaching

Nutri-Pel is a Class A biosolid that releases slowly, improves water retention and enhances the normal biological balance of the soil
